GOOD PUNCH!
WHAT WAS THAT MOVE-MENT!?

WHEN SHE'S AT A DISTANCE, SHE USES THE STRAIGHT QUICK PUNCH SHE LEARNED FROM HER TIME DOING KARATE
SAKAE
WHEN CLOSER, SHE USES THE BOXING'S FOOTWORKS AND BARRAGE OF PUNCHES
ALTHOUGH SHE DIDN'T GET A K.O. THIS WAS THE STYLE SATSUKAWA USED TO WON AGAINST SAOTOME LAST YEAR...
BUT THIS TIME SHE HASN'T MADE ANY CLEAN HIT YET

IT SEEMS SOMEONE HAS DONE THEIR HOMEWORK.
BUT...
YEAH
THEY HAVE A GOOD CORNERMAN THERE
MILKY, GO!!
GET HER!!
!!

ゴッ
ゴッ

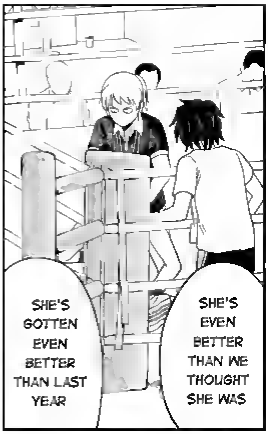
....?!

KAE
KAE
ぐっ
YOU THOUGHT WE WERE ON THE SAME LEAGUE...?
…!?
DON'T! THAT PUNCH IS...
VAE-SAN...!!

THE FIRST ROUND HAS ENDED
AUWW! THAT WAS SO CLOSE!!

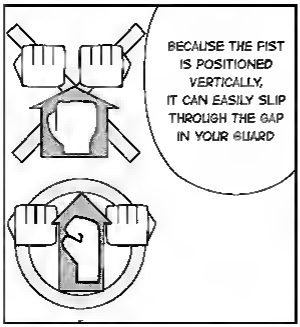
THE FORMER CHAMPION IS RUSHING HER OPPONENT!!
YEAHH, MILKY!!

I DON'T KNOW
YOU PUT YOUR GUARD ON EARLIER, SO HOW ON EARTH DID THAT PUNCH...?

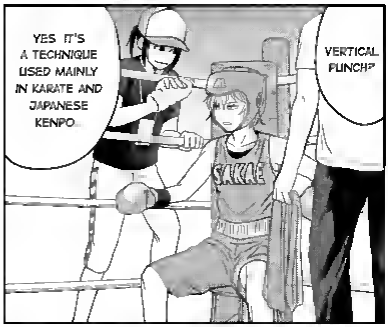


SHE'S GOTTEN EVEN BETTER THAN LAST YEAR
SHE'S EVEN BETTER THAN WE THOUGHT SHE WAS

...I THINK THAT WAS A VERTICAL PUNCH!!

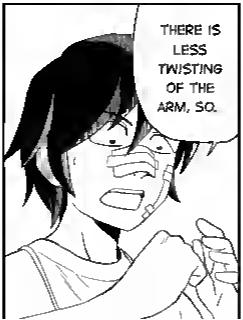


BECAUSE THE FIST IS POSITIONED VERTICALLY, IT CAN EASILY SLIP THROUGH THE GAP IN YOUR GUARD

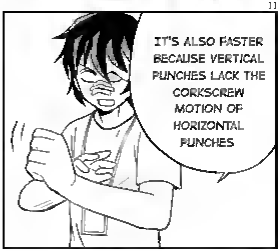


YES IT'S A TECHNIQUE USED MAINLY IN KARATE AND JAPANESE KENPO...
VERTICAL PUNCH?

IF THAT'S THE CASE...



THERE IS LESS TWISTING OF THE ARM, SO...



IT'S ALSO FASTER BECAUSE VERTICAL PUNCHES LACK THE CORKSCREW MOTION OF HORIZONTAL PUNCHES

THE WHAT NOW?
UH...

CAN I DO THE "WHOOSH" AND "BAM"?

YEAH, YAE-SAN.

YES YOU CAN!
